I INTRODUCTION

This agreement is made and entered between A.K.T MEMORIAL COLLEGE OF ENGINEERING AND TECHNOLOGY ("AKTMCET") and TAGORE INSTITUTE OF ENGINEERING AND TECHNOLOGY, ("TIET").

The participating parties believe that the educational opportunities for their students and the professional opportunities for their academic staff would be enhanced by national level academic and scientific cooperation;

Whereas, the purpose of this agreement is to establish a framework within which academic and scientific cooperation may develop between TIET and AKTMCET to provide participating students, faculty and faculty with an opportunity to study, teach and research, and benefit from the academic and cultural environment of partner institution;

Whereas this agreement shall be identified as the parent document of any specific program agreements between the parties; now, therefore, the parties agree as follows:

The parties to this agreement indicate their willingness in principle to cooperate in the promotion of teaching and research activities subject to entering into a Separate legal agreement where applicable. Under this agreement, the types of cooperation may include:

- i. Reciprocal exchange of students;
- ii. Hosting of short-term programs;
- iii. Reciprocal exchange of staff and faculty;
- iv. Joint academic programs;
- v. Collaborative research projects;
- vi. Collaborative professional faculty and staff development activities; and
- vii. Other activities as mutually agreed.

II STUDENT EXCHANGE PROGRAM

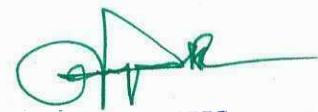

1. Definitions for the purpose of this agreement, the follow definitions will be used:

Home Institution the educational institution in which a student is formally enrolled as a degree candidate.

Host Institution - the educational institution that has agreed to receive the participating students from the "home institution" for a limited period of study on a non-degree basis.

2. Academic Coordination

The responsibilities for persons designated to coordinate the programs entail the following:

- i. Overseeing the selection of participating students;
- ii. Facilitating academic matters for the students received by the host institution;
- iii. Providing assistance to enrolling incoming students;
- iv. Serving as liaison between the two institutions.
- v. Academic Administrative Audit (AAA).

3. Guidelines

TIET and AKTMCET shall review the exchange program annually for any imbalances in the number of exchange students and shall adjust the numbers as necessary to maintain a well-balanced program. The overall balance of participating students from each institution shall be maintained over the period of the agreement. Both institutions, by mutual consent, will determine the number of students they may receive in any given year.

Exchange student status and responsibilities:

- (i) Exchange students shall register in the short term online courses that their home institutions approve, as long as they do not pose any challenge to the host institution. All students shall maintain full-time enrollment status.
- (ii) Participating students shall cover the cost of their meals and housing at host institution.
- (iii) Some classes incur extra cost for materials and/or transportation (some technology classes and some sports classes, for example); in this case, the individual student enrolled in those courses will be required to pay those additional costs.

The home institution shall nominate participating students on the basis of academic merit and other criteria as may be agreed upon by both institutions. The host institution reserves the right to make final judgment on the admissibility of each student nominated by the home institution. Participating students shall maintain a full-load of study as defined by the host institution. The host institution shall immediately inform the home institution if the participating student drops out or stops attending classes completely. Participating students shall be given identification cards and shall have the same access to the facilities of the host institution as enjoyed by students of the host institution. At the end of the study period, the host institution shall provide the home institution with a transcript report of the courses and grades received by each student not later than six weeks after the last day of the study programme.

III HOSTING OF SHORT-TERM PROGRAMME

Parties agree to help facilitating short-term faculty-led programs in their institution. The purpose of the short term programme will be assisting a batch of students either from TIET or AKTMCET to do short term programme/certificate programme/ exposure programme value added course in host institution. The programme will be designed by home institution and subsequently approved by host Institution.

The arrangement may include facilitating housing, transportation, cultural excursions, guest lectures, classrooms, on-site facilitators, and local arrangements, meetings to relevant organizations and individuals, orientation and advice on health and safety precautions, and general on-site orientation.

Short Term programme status and responsibilities.

- i. The maximum number of students for short term programme at a time is limited to 100.
- ii. A faculty member will always accompany the batch for short term programme.
- iii. The duration of short term programme falls within the range of two to three weeks.

The programme structure will be discussed mutually on individual basis and approved by both parties. The exchange students shall bear all expenses related to housing, transportation, cultural excursion. But any expenses related to academic inputs will be met by host institution. At the end of short term programme, host institution shall provide certificates depending upon the programme they attended.

IV FACULTY/STAFF EXCHANGE PROGRAMME.

Whenever feasible, both TIET and AKTM CET agree to engage their respective faculty/staff in short-term exchanges for teaching, research or collaborative project activities. Financial resources for the implementation of the faculty/staff exchange activities are dependent upon financial availability at each institution and externally generated funds. Neither party is obligated to any resources in connection with this faculty/staff exchange. The specific nature of the faculty/staff exchanges may vary; however, unless otherwise noted, the following arrangement shall be made:

- i. The host institution agrees to provide housing for exchange faculty/staff.
- ii. While participating in the exchange program, the visiting faculty/staff shall continue to receive salary and benefits from the home institution.
- iii. The home institution or the visiting faculty or staff shall be responsible for arranging and the cost of transportation to the host institution.

The period of the exchange visit of any faculty/staff shall not exceed one semester or six months. Exchange faculty/staff shall be subject to the host institution's rules, regulations, and policies. The host institution will orient exchange faculty/staff to pertinent rules. An exchange faculty/staff member accused of violating rules or policies shall have same due process right accorded to faculty and staff at the host institution. The home institution shall withdraw the faculty/staff member from the exchange assignment upon request by the host institution.

V TERM, TERMINATION, AMENDMENT, RENEWAL, AND CONFLICT RESOLUTION

This agreement shall become effective on the date of its signing by both parties, continue thereafter for five (5) years subject to revision or modification by mutual written agreement and shall terminate automatically at the end of such period unless 180 days prior to termination, the parties provide written notice to each other of their intention to renew the agreement for an additional three-year term. Either party may terminate this agreement at any time.

Termination by one party shall be effected by giving the other party at least 180-day advance written notice of its intention to terminate, but any students who have commenced at either university at the date of termination may complete their course of study. Termination shall be without penalty.

Any amendment to this agreement shall be made only with written agreement by both institutions.

This agreement is signed in good faith and in accordance with the administrative rules and procedures governing each party. Therefore, by virtue of this good faith, any conflict that may arise with respect to its interpretation, formalization, and fulfillment will be resolved by agreement between the two parties. Neither party shall use the other institution's name, or any name or trademark in any form, including advertising, promotion or sales literature except in the website of home institution without first obtaining the written consent of the other institution. Neither party shall assign or purport to assign any right under this agreement without the prior written approval of the other party.

I INTRODUCTION

This agreement is made and entered between SALEM COLLEGE OF ENGINEERING AND TECHNOLOGY ("SCET") and TAGORE INSTITUTE OF ENGINEERING AND TECHNOLOGY, ("TIET").

The participating parties believe that the educational opportunities for their students and the professional opportunities for their academic staff would be enhanced by national level academic and scientific cooperation;

Whereas, the purpose of this agreement is to establish a framework within which academic and scientific cooperation may develop between SCET and TIET to provide participating students, faculty and staff with an opportunity to study, teach and research, and benefit from the academic and cultural environment of partner institution;

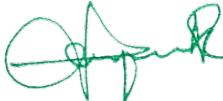

Whereas this agreement shall be identified as the parent document of any specific program agreements between the parties; Now, therefore, the parties agree as follows:

The parties to this agreement indicate their willingness in principle to cooperate in the promotion of teaching and research activities subject to entering into a Separate legal agreement where applicable. Under this agreement, the types of cooperation may include:

- i. Reciprocal exchange of students;
- ii. Hosting of short-term programs;
- iii. Reciprocal exchange of staff and faculty;
- iv. Joint academic programs;
- v. Collaborative research projects;
- vi. Collaborative professional faculty and staff development activities; and

II STUDENT EXCHANGE PROGRAM

1. Definitions for the purpose of this agreement, the follow definitions will be used:

Home Institution the educational institution in which a student is formally enrolled as a degree candidate.

Host Institution - the educational institution that has agreed to receive the participating students from the "home institution" for a limited period of study on a non-degree basis.

2. Academic Coordination

The responsibilities for persons designated to coordinate the programs entail the following:

- i. Overseeing the selection of participating students;
- ii. Serving as liaison between the two institutions.
- iii. Facilitating academic matters for the students received by the host institution;
- iv. Providing assistance to enrolling incoming students;
- v. Academic Administrative Audit (AAA).

3. Guidelines

SCET and TIET shall review the exchange program annually for any imbalances in the number of exchange students and shall adjust the numbers as necessary to maintain a well-balanced program. The overall balance of participating students from each institution shall be maintained over the period of the agreement. Both institutions, by mutual consent, will determine the number of students they may receive in any given year.

Exchange student status and responsibilities:

- i. Exchange students shall register in the short term online courses that their home institutions approve, as long as they do not pose any challenge to the host institution. All students shall maintain full-time enrollment status.
- ii. Participating students shall cover the cost of their meals and housing at host institution.
- iii. Some classes incur extra cost for materials and/or transportation (some technology classes and some sports classes, for example); in this case, the individual student enrolled in those courses will be required to pay those additional costs.

The home institution shall nominate participating students on the basis of academic merit and other criteria as may be agreed upon by both institutions. The host institution reserves the right to make final judgment on the admissibility of each student nominated by the home institution. Participating students shall maintain a full-load of study as defined by the host institution. The host institution shall immediately inform the home institution if the participating student drops out or stops attending classes completely. Participating students shall be given identification cards and shall have the same access to the facilities of the host institution as enjoyed by students of the host institution. At the end of the study period, the host institution shall provide the home institution with a transcript report of the courses and grades received by each student not later than six weeks after the last day of the study programme.

III HOSTING OF SHORT-TERM PROGRAMME

Parties agree to help facilitating short-term faculty-led programs in their institution. The purpose of the short term programme will be assisting a batch of students either from SCET or TIET to do short term programme/certificate programme/ exposure programme value added course in host institution. The programme will be designed by home institution and subsequently approved by host Institution.

The arrangement may include facilitating housing, transportation, cultural excursions, guest lectures, classrooms, on-site facilitators, local arrangements, meetings to relevant organizations and individuals, orientation and advice on health and safety precautions, and general on-site orientation.

Short Term programme status and responsibilities.

- i. The maximum number of students for short term programme at a time is limited to 100.
- ii. A faculty member will always accompany the batch for short term programme.
- iii. The duration of short term programme falls within the range of two to three weeks.

The programme structure will be discussed mutually on individual basis and approved by both parties. The exchange students shall bear all expenses related to housing, transportation, cultural excursion. But any expenses related to academic inputs will be met by host institution. At the end of short term programme, host institution shall provide certificates depending upon the programme they attended.

IV FACULTY/STAFF EXCHANGE PROGRAM.

Whenever feasible, both SCET and TIET agree to engage their respective faculty/staff in short-term exchanges for teaching, research or collaborative project activities. Financial resources for the implementation of the faculty/staff exchange activities are dependent upon financial availability at each institution and externally generated funds. Neither party is obligated to any resources in connection with this faculty/staff exchange. The specific nature of the faculty/staff exchanges may vary; however, unless otherwise noted, the following arrangement shall be made:

- i. The host institution agrees to provide housing for exchange faculty/staff.
- ii. While participating in the exchange program, the visiting faculty/staff shall continue to receive salary and benefits from the home institution.
- iii. The home institution or the visiting faculty or staff shall be responsible for arranging and the cost of transportation to the host institution.

The period of the exchange visit of any faculty/staff shall not exceed one semester or six months. Exchange faculty/staff shall be subject to the host institution's rules, regulations, and policies. The host institution will orient exchange faculty/staff to pertinent rules. An exchange faculty/staff member accused of violating rules or policies shall have same due process right accorded to faculty and staff at the host institution. The home institution shall withdraw the faculty/staff member from the exchange assignment upon request by the host institution.

V TERM, TERMINATION, AMENDMENT, RENEWAL, AND CONFLICT RESOLUTION

This agreement shall become effective on the date of its signing by both parties, continue thereafter for five (5) years subject to revision or modification by mutual written agreement and shall terminate automatically at the end of such period unless 180 days prior to termination, the parties provide written notice to each other of their intention to renew the agreement for an additional three-year term. Either party may terminate this agreement at any time.

Termination by one party shall be effected by giving the other party at least 180-day advance written notice of its intention to terminate, but any students who have commenced at either university at the date of termination may complete their course of study. Termination shall be without penalty.

Any amendment to this agreement shall be made only with written agreement by both institutions.

This agreement is signed in good faith and in accordance with the administrative rules and procedures governing each party. Therefore, by virtue of this good faith, any conflict that may arise with respect to its interpretation, formalization, and fulfillment will be resolved by agreement between the two parties. Neither party shall use the other institution's name, or any name or trademark in any form, including advertising, promotion or sales literature except in the website of home institution without first obtaining the written consent of the other institution. Neither party shall assign or purport to assign any right under this agreement without the prior written approval of the other party.
